

# Smart & secure scrap metal payments

Choose Bread4Scrap for an easy alternative to cash scrap metal payments and improve customer satisfaction and retention.

Make prepaid card or business payments in minutes via our easy payment platform, with no hidden fees and full Home Office compliance.

- Issue cards or make cashless payments in minutes
- Fully compliant with Home Office regulations
- Easily track payments in our secure portal
- Clear and transparent pricing
- Full integration with FRED5
- Free cardholder customer service and support
- Can be added to Google Pay and Apple Pay digital wallets

## Two easy options for fast, secure scrap payments:

### Prepaid card:

Load funds onto a prepaid Mastercard. Customers can withdraw funds from an ATM or spend at millions of locations worldwide.

### Business transfers:

Make payments directly into customers' bank accounts, with no hidden fees and lower transaction costs than your local bank.

**Thousands of scrap metal and recycling agents across the UK trust Bread4Scrap for simple, secure cashless payments.**
